Discover the perfect blend of comfort, stylish design, and innovative technology with Signia.

About Signia

Signia is one of the leading hearing aid brands in the world. Our goal is to enhance human performance through iconic innovations that shape the prescription audio category. We refuse to accept hearing loss as a limitation. It's not about correcting a loss, it's about gaining an edge. Not just performing, performing brilliantly. Not just hearing again, but hearing better than ever. Hearing every word, beat, and breath. With Signia, you can Be Brilliant.

The information in this document contains general descriptions of the technical options available, which do not always have to be present in individual cases and are subject to change without prior notice.

Active Mini IX

Complete. Instant. Discreet.

Introducing our smallest, fully featured hearing aid, that doesn't look like a hearing aid. Active Mini IX is a premium hearing device for people who don't accept compromise.

Contribute confidently to group conversations in any environment with Signia's game-changing RealTime Conversation Enhancement technology, and enjoy the convenience of Bluetooth streaming and hands-free calling. Now, in a small, comfortable earbud style.

5 reasons to choose Signia Active Mini IX

- **Reconnect with the conversation:** Active Mini IX features RealTime Conversation Enhancement - a breakthrough technology that enhances what people are saying, even when they move around, delivering 22% better speech understanding in noisy group conversation*.
- **Refined earbud design:** Its tiny earbud design makes Active Mini IX a hearing aid unlike any other. Crafted to sit discreetly in the ear, it's available in three striking colours.
- **Ready for an active lifestyle:** Active Mini IX is IP68-certified, so you can enjoy an active lifestyle without worrying about sweat or dust.
- **All-day power:** Enjoy a full day of power and, for added convenience, charge on the go with a handy charging case.
- **Real-time fine tuning:** Found in the Signia App and available 24/7, the AI-powered Signia Assistant intelligently customises your hearing settings, to match your preferences and environment.

A new era of hearing

An earbud on the outside, a high-performance hearing aid on the inside. With its game-changing earbud design and breakthrough technology, Active Mini IX looks like no other hearing aid out there.

How Active Pro IX keeps you connected:

- Bluetooth streaming for iPhone and Android
- LE Audio-compatible
- Hands-free calling for iPhone
