ReSound Savi™

Clear sound
and connectivity
for everyone

Style, comfort and durability

Experience the best wearing comfort with our tiny, all-weatherproof styles – including custom-made designs – available in an elegant selection of colours.

All-day battery

Our hearing aids with rechargeable or replaceable batteries have all the power to keep you going, even when streaming. Our chargers have easy induction charging, enabling the hearing aids to simply fall into place in the charger.

* Bluetooth SIG
** Available only for ReSound Savi RIE styles. Hands-free calls are compatible with iPhone 11 or later, iPad Pro 12.9-inch (5th generation), iPad Pro 11-inch (3rd generation), iPad Air (4th generation), iPad mini (6th generation), iPad (10th generation) or later, with software updates iOS 15.3 and iPadOS 15.3 or later. Bluetooth LE Audio works with ReSound Savi and compatible mobile devices with Bluetooth 5.3 or later.

Incredible connectivity

The world can feel distant with hearing loss, but ReSound Savi brings you closer to people and entertainment. Enjoy the clearest Bluetooth® experience ever with Bluetooth Low Energy (LE) Audio and connect to Auracast™ broadcast audio for exciting streaming opportunities. Effortlessly stream with low battery drain and a reliable connection* – also including hands-free calls.**

Auracast Assistant

Auracast will enable you to stream audio in public spaces, from transport hubs to theatres, museums, gyms, sports bars, and more. Find and join Auracast broadcasts with a tap by using the Auracast Assistant in the ReSound Smart 3D™ app.
