CON
GRATU
LATIONS ...

Sometimes the last step
is just the beginning.

Slip into a world of style,
convenience and care with
your new Styletto hearing
aids.

... ON CONVENIENCE AT YOUR FINGERTIPS.

touchControl App

miniPocket

Discreet and convenient, the touchControl App™ lets you change your hearing aids' programs and settings remotely via your smartphone.

Or use miniPocket™; small enough to fit on a keyring, it's the perfect companion for anyone without a smartphone.

... ON CARE TAILORED
TO FIT YOU.

myHearing App

The myHearing App is your hearing care professional in your pocket. You can receive instant help and advice including live remote tuning to find the optimal settings for your hearing aids while you're in real-world situations.

All apps are compatible with Android and iOS. The apps are free of charge.
